

# Parent Partnership

Week beginning – 20/11/2023

In Willows we are learning the number song, 'Five currant buns as the children have shown a keen interest when baking lovely treats with Sarah. Here are some activities you could do with your child at home.

To bake some small cupcakes at home. We would love to see any photos of your family baking and your child can share the photos with their friends during their session.

## Rhymes

Share the number song we are singing at nursery:

Five currant buns

We are also exploring following the beat to the rhymes and songs using simple shakers and bells.

- Make a simple shaker at home using a small plastic bottle and dried rice, buttons, small stones, dried pasta. Glue the lid due to you using small parts.
- What happens when you play the shaker fast? How can you make the shaker quiet?
- Can you play the shaker up in the air and down to the ground?
