

## All About Me!

We will be sending out an All About Me sheet. Please could we ask for you to fill this out and bring it back to Nursery as soon as possible. It will help us to get to understand your child better, knowing what they like to play with at home, places they like to visit, who they like to play with etc. We will use this information when planning activities for our room.

Please remember to bring a NAMED bag to Nursery with nappies/pull ups or pants and wipes to every session. Also please make sure that you have put a change of clothes in their bag as we like to get messy at Nursery!

If you haven't already, please can you bring in a pair of wellies with your child's name on them to leave at Nursery.

### Clothing for all Weathers!

The weather is always changing and very unpredictable. Please can you make sure your child is in appropriate clothing and you bring a coat to every session as the weather can change quickly!

We have some spare clothes at Nursery and we may put your child in them if there are none left in your child's bag! Could we please ask If you borrow any of our clothes we would be grateful if you can wash, dry and return them as soon as possible.

Thank you  
Willows Staff!

# Willows Newsletter

## Meet your Keyworkers

Hello to all of our lovely children and families - wishing you a very warm welcome to the Willows group and to this our first newsletter of 2019 / 2020. We hope that you enjoy reading about what we have been up to in Willows and we look forward to sharing some of our exciting explorations and discoveries with you throughout the coming year!

## What are we learning...?

This term we focus on Nursery Rhymes and plan activities to support your child's development. We also consider your child's interests and we do 'in the moment' planning. This is where the children initiate or give us ideas on how to enhance their learning. For example, the children have enjoyed wearing our spare hats so we added occupational hats into the role play.

*We will be sending home song sheets with a song or rhyme for you to encourage your child to sing at home. Singing can help develop your child's listening, language and early reading skills.*

## Together time!

At the end of each session we have together time. This is where everyone comes together to enjoy a song or a book. This week we have been
